

# We're Having a Picture Day!

We're excited to announce that we will have a photographer at our centre to take adorable portraits of the children.

Date: \_\_\_\_\_

Time: \_\_\_\_\_ to \_\_\_\_\_

We've selected a seasonal theme and suggest clothing colours that will complement the photographer's setup. If you wish to have your child's sibling be in the photo, please ensure that you have them at the centre on this day and time.

Photo proofs will be available within 7 business days from the day of the shoot and orders can be placed and paid for online. Photos will be delivered to the centre for distribution to families.

If you do not want your child to participate in the photos, please let their classroom teacher know this prior to the date.

## CLOTHING COLOUR SUGGESTIONS

We suggest solid colours, no shirts with graphics, or busy prints.
